THE SPORT

WHAT IS GRID?

Coed. Continuous. Chaos with a scoreboard.

GRID is a live, coed pro team sport. Two teams of 12 athletes go head-to-head on a 100 ft field split into 11 quadrants. Five men and five women from each roster are on the floor at once, rotating through races, lifts and gymnastics elements in a single 60-minute clock.

THE FORMAT

- 12 athletes per team · 5 men + 5 women on the floor
- 11 quadrants across a 100 ft grid
- 60-minute match · continuous action, no timeouts
- Scoreboard-driven · every rep counts

FLOOR-SIDE SEATS
